## Potentate's Comments

**Kevin L. Trevillyan**  
2023 Za-Ga-Zig Potentate

I would like to thank all of you for electing me as the 2023 Potentate for Za-Ga-Zig Shrine. It is truly a privilege and honor for me.

My motto for 2023 is FUN – FAMILY – FRATERNITY. After all, that is what the Shrine is all about. I would like to congratulate the Officers who were elected to help lead Za-Ga-Zig this year. If there is something that you have a question or concern about, please contact us and let us know. I want to thank my Appointed Officers for agreeing to serve

Za-Ga-Zig this year. Cindi and I look forward to working with the Elected and Appointed Officers and their ladies this year. We are here to serve you, the members of Za-Ga-Zig Shrine.

It was an honor to have Imperial Sir Ron DeVoll, Imperial Outer Guard, as the Installing Officer for our installation last month. I was so surprised when he presented me with a gavel that he had gotten for me. It was great to see so many of you attend the installation. Our Temple Chef, John Roach, and his crew served a great meal for all of us.

We have several events planned this year. A couple of the events that we will be having are: The Mardi Gras party which will be held on February 11<sup>th</sup>. Shawn Mullihan has offered to lead the committee planning this party. I am sure it will be a party that you won't want to miss. We will be bringing back the Champagne and Chocolate Auction this year. It will be held on October 9<sup>th</sup>. Brooke Mullihan has offered to chair this fundraiser and she has already started working on putting the committee together and making plans for a great event. There are several other events planned and I encourage you to refer to the calendar book, future issues of Footprints, the website, or the weekly Eblast for the dates of these events. I hope that you come out and be a part of all of them.

You will see on the calendar that there are mini ceremonials scheduled almost every month. We will have the Spring Ceremonial on April 29<sup>th</sup> and the Fall Ceremonial will be held on October 21<sup>st</sup>. Since we no longer have Hot Sands initiations it really doesn't make sense to call the "short form" initiations Cold Sands. Therefore, I have chosen to call them mini ceremonials. They will be held on a separate night from any other meeting. The Ritual Staff will be doing the 1<sup>st</sup> and 3<sup>rd</sup> sections in full regalia and there will be an educational piece in place of the 2<sup>nd</sup> section. I believe it is necessary to make all new Nobles feel important when they join the Shrine. If any member is interested in getting involved with the Ritual Staff, please contact me or any member of the Divan.

I want to thank everyone who helped with the circus last month. A special thank you to all of the ladies and family members that helped. Illustrious Sir Steve Fedler did a great job as circus chairman. He made sure everything ran as smoothly as possible.

The Nobility Ball will be held on February 25<sup>th</sup> and 26<sup>th</sup>. There is no admission price this year. In addition, there will not be a banquet on Saturday night. Each Unit and Club that will have a hospitality room is being asked to supply a larger quantity of food and drinks this year. The Potentates Hospitality Room will be open from 2:00 p.m. to 4:00 p.m. and the Unit & Club hospitality rooms will be open from 3:30 p.m. to 6:30 p.m. The pageantry will start at 7:00 p.m. and the hospitality rooms will then open back up following the

pageantry. The rooms for each hospitality room will be paid for by the Temple rather than the Unit or Club. There will be brunch on Sunday that I hope each of you will attend. The cost for brunch is \$25.00 per person. There is a reservation form for the Ball in this issue of FeetPrints. From what I have been told the Ball Committee, which is led by Paul and Marsha Freeman, has been busy planning a great weekend for everyone. I look forward to seeing what they have in store for all of us. I hope that you will make plans to attend the Ball this year. After all, it is your Nobility Ball. It will be a Formal event this year. Tuxedos are suggested but suits and ties will also be appropriate.

Are you a Legacy Shriner? I am. My dad, my brother and my great uncle were all Masons and members of Za-Ga-Zig Shrine. My oldest son, Justin, is a Mason and Shriner here at Za-Ga-Zig. My grandfather was a Mason and I have one uncle who is also in the Masons. I joined Ashworth Chapter Order of DeMolay in 1974. I joined Gnemeth Masonic Lodge #577 in 1979. I joined York Rite in 1982 and Scottish Rite in 1985. I then joined Za-Ga-Zig Shrine in 1995.

I am just sorry that my dad and brother are not here to see me serve as Potentate of Za-Ga-Zig. I know they will be with me as I do my very best to serve all of you this year.

I encourage all of you to get your sons, grandsons, son-in-laws, and nephews into the Masons and Shrine. We need to make sure our Fraternities continue to grow and prosper.

With everyone's help and participation, this will be a great year for Za-Ga-Zig Shrine. We need to make sure everyone feels welcome at our meetings and events. We must treat everyone with the respect and courtesy that we ourselves want from others.

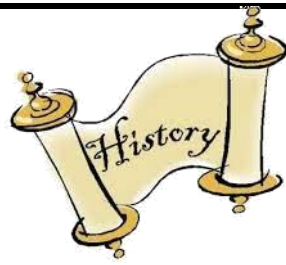

Here's to a great year at Za-Ga-Zig Shrine!

Kevin L. Trevillyan  
Potentate

I am pleased to announce that Imperial Sir Ron DeVoll, IMPERIAL OUTER GUARD, and his Lady Jill will be our honored guests at this years Nobility Ball on February 25th & 26th. Please join Lady Cindi and I in welcoming them to our annual Ball. This is a great honor for Za-Ga-Zig Shrine and I know you will show them the wonderful hospitality that Za-Ga-Zig Shrine is famous for.

Ill. Sir Kevin L. Trevillyan

## Preserving Our History

By Paul Freeman

A while back the Oriental Band acquired some scrapbooks. I am not sure how or why. The condition of these were deteriorating rapidly. I asked that I be given these scrapbooks to attempt to preserve them.

The noble connected to these was Frank Hugh Warrick. His shrine dues cards are in this scrapbook dating from 1922 – 1975. If anyone has some history regarding this noble, please contact me. Also in the scrapbook are articles, photographs, sale bills, and advertisements that date back to 1921.

I am not a noble who spends his free time scrapbooking so I turned these over to my mother Carleen. At this time, she has managed to salvage nearly all of the artifacts in these scrapbooks. Some pages and articles had to be recopied, but most have been saved.

Carleen is in the process of putting these books back together in chronological order. I would like to make arrangements that these be left at the shrine temple for others to read and enjoy—have an opportunity to look back on our history as a temple.

Starting in March I am going to submit a few items from this book every month as a “BLAST FROM THE PAST” page run monthly in the FEETPRINTS. Each month, I will try to find something related to that particular month.

Looking through the boxes I could not help but notice an abundance of newspaper clippings—articles and photographs showing the Shriners' of Za-Ga-Zig in a very *positive and favorable* light. Pictures of parades and mentions of parties, conventions and events. I had to ask myself, “what happened?”

This is EXACTLY where we need to begin an image change and one area that we need to be focusing a lot of effort. We must get ourselves back out in the public in an accepted and respected fashion and not just be visible at parades and conventions. We have started this with our golf cart operations so let's expand on it and take it to the next level.

Exposure to our friends and neighbors in our communities begins a dialogue. Inquiries and questions begin to arise. Curiosity sets in. Then someone asks “how do I become a Shriner?” Can it really be that simple and easy? Yes, if we are willing to engage in a conversation.

We are the best kept secret in the Des Moines and surrounding area? Can somebody explain why? The only secrets we should be willing to keep are those that distinguish us as members of the A.A.O.N.M.S., not who we are, what we do, and why we do it.

My name is Kristina and I will be your Feetprints editor. I do have some big shoes to fill so be patient with me as I learn the ropes. Please send me articles, pictures and event information to [feetprints@iowarepro.com](mailto:feetprints@iowarepro.com). Remember to plan ahead and submit your content by the 10th. Late submittals are not guaranteed to get in for that month. I am very excited to be working with you and look forward to hearing from everyone.

Many Blessings! Kristina

## Why are you a Shriner?

By Andrew Willson

Assistant Samsar

Why are you a Shriner? I get asked this question a lot due to having the square and compass and silent messenger permanently tattooed on my body. I can usually supply the quick answer of I am fourth generation and it's a family tradition. That is the short and sweet answer, but when I reflect on it, I ask myself why I became a Shriner. It wasn't for the status symbol, it wasn't so I could ride around in the cool little cars if I wanted to, it wasn't because it's what my dad, his dad, and his dad before him did. I became a Shriner because I experienced firsthand what we do. We are Shriners to help kids, and I believe a good majority have lost site of that.

Growing up I watched my youngest brother struggle with arthritis from a very young age. He was treated at the hospital in Minneapolis for this diagnosis, until he just recently aged out. Thanks to Shriners and what we do, Tanner is now a college football player. If he hadn't had the support and care of the Shriner hospital, he never would have been able to do all the things he does. He has played high school and college football, became an all-state wrestler and a youth baseball coach. None of this would have been possible without the help and care he received because of the mission Shriners set out to achieve.

When we discovered a bone tumor on my younger sister's leg, Shriners hospital was right there to take care of her and get it removed so it didn't affect her life in a negative way. She was unexpectedly hit by a car in 2016 and damaged her shoulder and ankle. Shriners hospital stepped in and did all the necessary surgeries to repair what was damaged so she was able to continue to live her life to the fullest. I say again, none of that would have been possible without the mission Shriners set out to achieve.

We as the membership committee all have a story of why we became Shriners, but it all stems back to one thing, to help the kids. I want all of you to look at yourselves and ask why you became a Shriner. Truly figure it out, set all the drama and politics aside, and share your story with potential members. We as a whole need to set out to increase our numbers. The membership committee cannot do it alone. We need all of you. So, the next time someone asks you why you are a Shriner, remember you could be speaking with a potential new Noble. Share the real reason why you became a Shriner and show them all the good they can help achieve in the world by becoming a Shriner.

## A Message from your Chief Rabban

Mathew C. Forest

Happy New Year to all, I would first like to thank the nobility for electing me to the Chief Rabban position. Know that I am here to represent you first before myself. I also have the privilege to thank my lady Danette for her support.

Under Illustrious Sir Kevin and Lady Cindi's leadership, we are excited to walk alongside you all as we move in to 2023.

We are hopeful that excitement is contagious and the that the greater good stays in focus. We hope to meet new friends. We are hopeful that as the year goes along we see friends lost in the desert find their way back through the doors to attend some of the dinners that clubs and units work so hard to prepare. Like the Director's Staff Soup Supper on Feb 3rd. Or attend the awesome parties we are planning beginning with the Mardi Gras party on February 11th.

Let's not forget about the Nobility Ball on February 25th that is FREE for all nobles and spouses to attend.

We can sense that good things are already happening with some large turnouts for the circus meetings and the transportation meetings held already this year. We can not be successful without you. If we don't get excited about supporting our temple and shrine center, it becomes harder to take care of the children that we are here to help. Please feel free to reach out to me or Danette any time for any reason.

Thank you.

## When Ideas Help to Shape Our Future

By Paul Freeman, Samsar

A few weeks back I received an email from Joe White with a couple of thoughts and ideas.

Joe's first mention was his vision of a logo that brings together Za-Ga-Zig's mission going forward related to membership- RESTORE, RETAIN CRE-

ATE. I asked him to design something amazing and share it with the entire elected divan. Amazing doesn't do it justice.

Take a look at it and notice what is in the center. Your fez, your temple. The emphasis on RESTORING, RETAINING and CREATING nobles and the benefits of not only your fraternity, but your temple.

Amazing Joe, just amazing. This design and logo will appear throughout these pages, the ZGZ Shrine Weekly News and wherever and whenever the message needs emphasizing. So, plan on seeing it constantly.

His second idea was that of a social gathering that we used to have in years past, but faded away over time, the Membership Dinners. In Joe's words, "*I also think we need to bring back membership dinners. \$20.00-\$25.00 for any current Noble that wants to attend and free dinner for any prospect. #%@! we could go free dinner and a couple of drink tickets. It's working for the Scottish Rite.*"

This is what we have said all along. The ideas are out there among the nobility. Bring your membership ideas to Andrew and I. We are driving the ship, but we are relying on you to help us finish the journey. Any ideas that strengthen our temple are worth looking into.

We are all in favor of taking ideas and programs that work for others and tweaking them to work for us, like the suggestion of bringing back the membership dinner. I am confident that John can put together a nice meal for these events. Perhaps we can do this a bit cheaper than Joe suggested? I do not see any reason to profit financially from this. I would much rather profit by creating new nobles.

Keep the ideas coming, Nobles.

## Fez-B Club Comments

By Dan Baker

A number of Nobles and Ladies have inquired about my health. I am diabetic and have lost my big toe on the right foot due to infection. There is still some infection there which is very concerning to Lady Deb and myself. We are hopeful that another surgery is not required. The most painful part of this process is that I am unable to drive (for now). This is all I know at this time. Thank you for your prayers and expressions of concern during this time.

Food for thought for all Nobles: Kindness and thoughtfulness nurture good relationships. Whether our actions are large gestures of generosity or small acts of respect, each kind word and deed does make a difference in the life of another and in our lives. The smallest act of kindness not only blesses the receiver but inspires other acts of kindness, prompted by the same spirit of love and compassion that lives in every heart.

To Illustrious Sir Kevin Trevillyan, Lady Cindi, and the entire Za-Ga-Zig Divan, best wishes for a great year. As we begin a new year, it is time to release the past, taking from it many precious memories and invaluable experiences. We wish each of you good health and prosperity in the coming year.

The January Ladies Nite Dinner was to have been our December meal. It consisted of baked ham, deep fried turkey and all the trimmings. This meal was prepared by several Nobles and their Ladies.

The February 15<sup>th</sup> Ladies Nite Dinner will be a surprise! I am sure it will be outstanding.

The March 15<sup>th</sup> Ladies Nite Dinner will be a club favorite - Corned Beef and Cabbage hosted by Noble Dean House and Lady Ruth. Always great - Must be the BUTTER.

**DON'T FORGET THE BALL!!!**

February 25 and 26, 2023.

**LET'S MAKE IT ONE TO REMEMBER!**

If all goes well, there are a lot of great activities scheduled for the near future. Please take a close look at your Footprints magazine every month and pick out at least one function that you will attend that month. (Watch for cancellations)

Please remember that the regular Fez-B Club meetings are always held on the 2nd.

Tuesday of the month at 8:00 p.m. following the Mirza Lodge meeting in Ogden.

## Ready for Parade Season

By Joe Vincent

Parade season will be here before we know it. I (Joe Vincent), along with Daniel Lapcheske are the 2023 Parade Marshals. I'm also the captain of the Trike Patrol, and Daniel is in the Drifters, so we've been around the parade scene.

If you hear of, or know of any community parades, please reach out to us with the details and we'll get it added to the listing.

Whether you're in a parade or not, please join us at any of the parades this year. There is always a lot of activities going on in the community before and after the parades.

We're both looking forward to the 2023 parade season!

## Message from your Assistant Rabban

Clif Coker

Nobles

I am honored and humbled to have been elected as the Assistant Rabban of Za-Ga-Zig for 2023. I am grateful for the trust that has been placed in me and I promise to serve to the best of my ability.

I would like to express my sincere gratitude to everyone who supported me during the election process. Your faith in me means a lot and I will work hard to live up to your expectations.

I am excited to take on this new role and contribute to the continued success of Za-Ga-Zig. Thank you again for this opportunity.

On February 11th we are having the Mardi Gras party at the Shrine and it will be a great time as we celebrate Mardi Gras with our family and friends.

What is Mardi Gras?

Mardi Gras is a traditional holiday celebrated in many parts of the world, including in the United States, particularly in the city of New Orleans, Louisiana. It is a celebration that occurs on the day before Ash Wednesday, which marks the beginning of the Christian season of Lent. Mardi Gras, which means "Fat Tuesday" in French, is a time for celebration and revelry before the period of fasting and penitence that begins on Ash Wednesday.

We can trace the origins of Mardi Gras back to ancient Roman times, when it was a celebration of the Roman god Saturn. In medieval Europe, Mardi Gras became a time for celebration and feasting before the start of the Christian season of Lent. When French colonists brought the tradition to the city of New Orleans in the 18th century, Mardi Gras became a major annual event in the city, with parades, parties, and other festivities.

By Paul Freeman. Rabaan of the Clan

March 31<sup>st</sup>, the Hillbilly Clan #112 is bringing back a long-lost tradition- our Ham & Bean Dinner. \$12.00 per person includes ham & beans, "Johnny Cakes" and deserts. Come and get your fill.

Cousins, we have nearly 400 members of the shrine who are Hilbillies. We could use a few of you to offer up some help to pull this dinner off. The reason we dropped this dinner was for this very reason. Please contact me if you are willing and able. At the very least come and have something to eat.

May 27<sup>th</sup> we will be having a degree at Griff's RV Park in Altoona. Same ol' same ol'. \$25.00 per person or \$35.00 per couple. There will be an ad in April and May edition of the FEETPRINTS. Those who are, hope to see you there. Those who ain't, hope to see you as well.

Now the trailer that Ill. Sir and cousin Randy Weldon donated to the Hillbilly Clan. At our January meeting in Knoxville, we 5 in attendance decided that we are going to return ownership of this trailer back to cousin Randy.

# Nobility Ball Update

by Paul Freeman, 2023 Ball Chairman

It is almost here. Your 2023 Nobility Ball is only a few weeks away. All of the planning and preparations will be on display. I am confident all that attend will be happy they did.

## IT IS A FREE BALL THIS YEAR FOR ALL NOBLES AND THEIR LADIES!

Remember that ALL GUESTS who ARE NOT NOBLES or their ladies MUST HAVE THE PERMISSION OF ILL. SIR KEVIN TREVILLYAN TO ATTEND THIS YEAR'S BALL.

THANK YOU to the entire 2023 Ball Committee for your tireless work throughout the past year. I appreciate each and every one of you for agreeing to serve on this committee. Everyone brought a level of planning and expertise that without you, this would not have been possible. It was a pleasure to work with all of you.

There is no theme for the ball this year. Ill. Sir Kevin L. Trevillyan's motto is FUN-FAMILY-FRATERNITY. That being said, please decorate your unit and club hospitality rooms as you wish- around your unit and club message, Kevin's motto, or whatever comes to mind.

Do this now! Find the QR code in this month's edition of the FEETPRINTS or go to the email blast, and sign up for the Sunday morning brunch and presentations. \$25.00 per person and this includes Eye Openers beforehand. Have your credit card handy. You still have the option to contact Carolyn directly and she will take care of your reservations for you. Remember that someone will be going home with a nice custom-made door prize.

There is also a direct link on the email blast to reserve and purchase tickets for Sunday morning. Thank you, Matt Forest, for creating this QR code and link for the Nobility Ball breakfast.

Did I mention that IT IS A FREE BALL THIS YEAR FOR ALL NOBLES AND THEIR LADIES?

Friday evening beginning at 7:00pm, we will have a small hospitality for those who are staying overnight and members from visiting temples coming in early. This is a "picnic" themed hospitality featuring a menu of picnic style foods. We will have a few games for you to play as well.

Sometime on Saturday, do not forget to visit the registration table to get your hand stamped, a copy of the Saturday itinerary and your Sunday morning breakfast buffet tickets. The table is being attended by nobles and their ladies of your elected and appointed Divan. There will be someone at the table from 12:00 – 6:30.

The black lights that will reveal the UV hand stamp will be provided to all unit and club hospitality rooms when you come to the Potentate's Hospitality room on Saturday to get your cups. Please inform all members and bartenders that they need to be checking for hand stamps throughout the evening. This helps to ensure that all who are being served are members, their ladies and of legal drinking age.

We are asking that all unit and club's that have a hospitality room to contact Carolyn and give her a short listing of your hospitality room menu or specialty food and if you offer a specialty shot or drink. We will list this on the hospitality room flyer provided to all attendees. As an example, the Hillbilly Clan #112 will be listing chicken livers and gizzards as their featured food items and apple pie as their specialty shot.

On behalf of the entire 2023 Nobility Ball Committee, it was a pleasure to serve Ill. Sir Kevin Trevillyan and bring his vision of this Nobility Ball weekend to you. We look forward to seeing all those who attend have an amazing weekend and a memorable experience.

Wait a minute, did I forget to mention earlier that IT IS A FREE BALL THIS YEAR FOR ALL NOBLES AND THEIR LADIES?

## Digital Membership

By Douglas C. Miller, P.P.

We're excited to announce the new digital membership card. Effective August 2022, Nobles who pay their 2023 dues will have immediate access to their newly designed digital Membership card.

Nobles can access and present their digital membership card, which features the status of their dues two ways:

- *My FezCard Viewer* available for download on the Apple App Store or Google Play App Store
- Member Center located on the new SI.org Website

For 2023, the two primary methods to determine if a member is current in their dues will include asking the Noble to present their new digital membership card on a mobile device or for the temple, club, or unit to scan the QR code on the Nobles existing hard card.

Scanning the QR code on the membership card, either the existing hard card or the new digital card, provides several benefits to the temple including in the areas of operations and as a member engagement tool:

### Operations:

- Decreases temple expenses by not having to pay for stickers and buckslip insert
- Simplifies operations, no need to replace stickers on an annual basis
- Digital card/scanning QR quickly determines the status of dues payment

### Member Engagement:

- Awarding credit for attendance at events and activities, which is especially handy for temples that award points and prizes for participation
- Participating in contests and giveaways
- Expressing an interest in joining a club or unit
- Registering for an event or volunteer opportunities

**As a result, Shriners International has discontinued the distribution of dues stickers to individual Nobles.** While the focus remains on scanning the QR code or presenting the digital card to determine the status of dues, to assist in the transition, a limited number of 2023 sticker sheets will be sent to each temple so they can provide a dues sticker to Nobles on a case-by-case or as-requested basis.

When Nobles pay their 2023 membership dues they will receive a 5x8 acknowledgment postcard that will announce the new process along with instructions on how to obtain their new digital membership card.

To address three commonly asked questions:

1. *How can a Noble access their digital card if we don't have internet access? If internet connectivity is a concern, once the Noble accesses their card via one of the two options above, they can take a screenshot of the digital card, which automatically saves to their photo gallery. Thereafter, they can present the card as needed without needing an internet connection.*
2. *How can a temple, club, or unit scan a QR code?* From an operational standpoint, the barrier to entry to utilize the QR technology is extremely low and simple to use. For the last three years, several Temples have been scanning the QR code on the existing membership card to determine dues by purchasing a handheld scanner, available for as little as \$30, or a mobile device, like a phone or tablet. Both options connect and communicate with WebFez.
3. *Will the digital card display associate temples?* Currently only the Noble's home temple will display on the *My FezCard Viewer*; however, we expect to add a display featuring associate temples by late summer / early fall.

## Content Creators Needed

By Joe White

All of our Shriners, their ladies, and family members are the most capable individuals for telling the current story of Za-Ga-Zig Shrine. As the social media chairman for Za-Ga-Zig, I understand that in order to successfully tell the full story of our great fraternity, we need content creators for our social media platforms. So who and what are content creators? Content creators are responsible for the creation of content that connects a brand to its prospective audience. For us, content creators will tell the world about the amazing things happening at Za-Ga-Zig. Illustrious Sir Craig Matzke, P.P. and I are doing our best to post as many things as we can, but we can't be at every event. We need some help telling the Za-Ga-Zig story. Content creators take pictures and videos at events, post pictures and videos on social media sites, and help with the overall promotion of Za-Ga-Zig Shrine.

If you are interested in helping us out, please feel free to contact Joe White at 515-971-1827.
